

# VIZ-A-VIZ MINISTRIES PRAYER DIARY

## » AUGUST 2010

---

Welcome to our August Prayer Diary – a slightly different one this month where we would love for you to join with us in praying into our specific areas of ministry and the projects we are involved in:

---

### MORE TO LIFE – REACHING ADULTS

- Preparations are continuing for our More to Life 'Unlock the Power of the Church' day conference on September 18th. Being held at Streatham Baptist Church, London, its intention is to envision and equip believers in faith sharing. Please pray for Dennis Pethers as he prepares for speaking at the conference and for the rest of the team as practical preparations take place. Pray also that many people will attend and be challenged as to how God wants to use them and their story to impact the lives of those around them. (*More info at [www.mtlresources.org](http://www.mtlresources.org)*)
  - Last Christmas we launched the 'More to Christmas' testimony DVD, which was very well received. This year the DVD will be available in a Christmas card to provide an easy way to share the Gospel with people, through the stories of lives changes by Jesus and a Gospel presentation from Dennis on the DVD. Please be praying for this project – a lot of interest and excitement has been shown in 'giving a card with a purpose' this year and using More to Christmas in outreach, but significant income is still required to fund this project. Please pray that God will move people to provide funding and support this project so we can produce publicity and the cards – we strongly believe that this resource will aid churches in helping people to see that Jesus is relevant in their everyday lives.
  - Please also be praying for the international developments of More to Life. A lot of interest is being shown in the More to Life resources in many countries around the world and already Hispanic versions are being produced. God has really been taking the lead in these developments and we are just trying to keep up – especially Dennis as he is doing a lot of international travelling to attend conferences and meetings. Amazingly, the costs of Dennis' travelling are being covered by our More to Life publisher, LifeWay. Pray that we can know God's wisdom and discernment as we move forward with this so that ultimately many, many people will come to know God.
- 

### CHECK IT OUT – REACHING YOUNG PEOPLE

- The main project that our Check it Out (CIO) team is involved in this month is Leading Edge – a Baptist, family holiday week, in Warwick, packed full of great worship, teaching and entertainment. The week runs from the 9-15th August and the CIO team are leading the 'Innovation' venue for 11-15s, where they will be looking at Jesus' teaching of the Beatitudes. The team head off to start setting up on Friday 6th August and then have a very busy week with the young people. Previous years at Leading Edge have seen amazing movements of God and many, many young people's lives being changed—please pray for the team and the young people that they will all have their lives impacted by God this year and leave Leading Edge feeling inspired to make a difference for Him.
- 

### ARISE MINISTRIES – REACHING CHILDREN

- Arise Ministries are also heavily involved with Leading Edge this month with team members working with children of all ages. Various venues for different aged children will have programmes crammed with worship, teaching and great activities relevant to them. Please pray for the children that they will discover who God is at their young age and will begin a life-long journey in following Him. Pray also for the Arise Ministries team as they deliver these busy programmes.
  - Also to pray for this month – Arise Ministries has just launched its latest children's resource for 7-11s: 'Journey to the Centre of the Christmas Pudding'. Please pray that this resource will help churches to share with children in a fun and exciting way the real, life-changing meaning of Christmas. (*More info at [www.ariseministries.org.uk](http://www.ariseministries.org.uk)*)
- 

### VIZ-A-VIZ MINISTRIES – IN GENERAL

- Praise God for our supporters – for their spiritual support and financial contributions.
  - Many opportunities are opening up for us proclaim the gospel to all ages – in the UK and internationally, but we do need increased support both through prayer and finance. Please pray for the future of Viz-A-Viz Ministries and for God's guidance, blessing and provision as we continue to seek to do His will.
- 

Keep up-to-date with the opportunities that God is providing for the Gospel to be heard:
