

VIZ-A-VIZ MINISTRIES PRAYER DIARY

» SEPTEMBER 2010

Welcome to our September Prayer Diary. Please join with us in praying into our specific areas of ministry and the projects we are involved in. Our heart is that we can help to make Jesus known in every opportunity given to us and to help you to do the same.

MORE TO LIFE – REACHING ADULTS

- This month sees the launch of our More to Christmas Card campaign. The aim of the More to Christmas card is to make it easier than ever for believers to start sharing their faith. Containing the More to Christmas testimony DVD and a Bible verse (John 3:16) the card is a great tool for churches and individuals to use in outreach this Christmas. Publicity has been sent out and information is on the website (www.mtlresources.org/mtccard.htm), so as churches are planning their Christmas outreach please pray that this is well received and that the interest shown in this project throughout the year turns to fruition. Significant income is still required to fund this project to get the cards produced so please be praying for God's provision. This project has massive potential to help many, many people gain an understanding of who Jesus is and what Christmas is all about? please pray that this is exactly what happens.
 - On September 18th the More to Life 'Unlock the Power of the Church' day conference takes place. Being held at Streatham Baptist Church, London, its intention is to envision and equip believers in faith sharing. Please pray for Dennis Pethers as he prepares for speaking at the conference and for the rest of the team as practical preparations take place. Pray also that many people will attend and be challenged as to how God wants to use them and their story to impact the lives of those around them. (More info at www.mtlresources.org)
 - On the 19th September, Dennis travels back out to the US for four weeks where he will be leading two More to Life 'Rooftop' experiences, where he will be training people in evangelism in Richmond, Virginia and in Philadelphia. He will also have preaching opportunities and meetings in Virginia, Illinois, New York, Atlanta and Pennsylvania. Significant interest is being shown across the US as More to Life develops into a culture of faith sharing and production of Hispanic versions of the resources are well under way. Please pray that God uses Dennis and these resources to lead many people to Christ. Pray for safe travel for Dennis and pray also for his wife, Lynne, as they are apart.
-

CHECK IT OUT – REACHING YOUNG PEOPLE

- New Optimum volunteers will be joining the Check it Out team in October this year. Please be praying for the confirmed volunteers, Tom Tonks, Andrew Kidby and Jonny English, as they prepare for giving their time and gifts to serving God over this coming year. Pray also for some willing hosts who can provide accommodation for them for the year.
 - Andy and Joy are taking a retreat this month to spend time with God and seek His guidance for the next steps for the Check it Out ministry. Please pray that will have amazing times in God's presence and that they will hear so clearly from Him.
-

ARISE MINISTRIES – REACHING CHILDREN

- Continue to pray for the use of the new 'Journey to the Centre of the Christmas Pudding' resource as churches are planning their Christmas outreach. This event will be a great, fun way to reach out to children with the message of Jesus this Christmas.
 - Pray for Ed Jones as he develops the new 'More Than Just a Child' strategy. This is intended to help churches develop new and existing children's work into more effective programmes that will help them to share with children the life-changing message of Jesus in fun and exciting ways.
-

SCHOOLS TEAM MINISTRIES, BASILDON (STM)

- As a new school term begins, please pray for Kirsten and the team as they go in to schools around Basildon to take assemblies, lessons and children's clubs showing what it means to live as a Christian and the difference Jesus can make.
-
